Cold and Flu

A few friendly reminders as we are still in cold & flu season:

Please do NOT send your child to school if he/she has or has had:

- Fever 100 degrees or greater within the last 24 hours (must be fever free without medication)
- Vomiting or diarrhea within the last 24 hours
- Continuous coughing not relieved with cough medicine

Newman International Academy does not allow ANY school personnel, including the health staff, to give ANY medication without a Medical Form signed by parent and doctor (if required). This includes all over the counter medications, even cough drops. These forms are available on the website and from the Health Staff.

Newman is looking for financial partners! If you or someone you know would be interested in investing in Newman, please email us at jagarcia@newmanacademy.org
