Transportation

We're excited to present to you an opportunity for Transportation for the 2019-20 academic year!

Upon receiving enough interest from Newman families – we will offer transportation for families who:

- 1) Have students at multiple campuses **or**
- 2) Who live near one campus but are seeking transportation to another campus.

Feedback

Will you write a review of NIA on one of the following platforms? It will only take a few minutes and your honest feedback is important!

Just follow one of the links, type in your schools name and share your thoughts:

No School on February 18th!

Math Day

March 7th from 2:00-3:00

Spend a math day with your child!

We invite parents to join your child on this day for one hour of math fun! This is an opportunity to see what your child is working on, to spend some time in your child's classroom, and for your child to see you in his educational setting.
